## REIN-O-MANIA Breeders Classic

**Master the present and win the future with a modern Breeders Classic programme!**

With the REIN-O-MANIA Breeders Classic programme we want to support the breeding and selling of Reining horses.

The target of this programme is to establish an International Open Derby, which will not only satisfy the sporting demands, but the breeding interests of participants.

REIN-O-MANIA Breeders Classic will be funded in four ways:

1. Enrollment fee of stallions
2. Enrollment fee of offspring

4. Sponsoring

The advantages to stallion owners participating in the REIN-O-MANIA Breeders Classic are obvious:

2. The stallion will be promoted via Internet on the website [www.reinomania.de](http://www.reinomania.de)
3. The stallion will receive ½ page of advertising in the REIN-O-MANIA Event Magazine
4. Every stallion owner is eligible for a VIP-accreditation for the Friday Finals.
5. A Sire Award for the stallion siring the most successful offspring will be presented
6. All classes are NRHA approved
